

National Treasury Management Agency

National Development Finance Agency

National Pensions Reserve Fund

State Claims Agency

FOR IMMEDIATE RELEASE

Dublin, 14 July 2008 (Press Release)

NTMA WILL LAUNCH 2007 ANNUAL REPORTS ON THURSDAY 24 JULY 2008

On 24 July the NTMA will launch the 2007 Annual Reports and Accounts of:

the National Treasury Management Agency;
the National Pensions Reserve Fund;
the National Development Finance Agency; and
the Carbon Fund.

The NTMA was established in 1990 to borrow for the Exchequer and manage Ireland's national debt. To utilise the expertise it has built up over the years, the Government has assigned substantial additional functions to the NTMA – these include the State Claims Agency; the management of the National Pensions Reserve Fund; and the National Development Finance Agency. The NTMA was designated as the Government's purchasing agent for carbon credits under the Carbon Fund Act 2007.
