

PRIMARY DEALER LIST

National Treasury Management Agency

IRELAND

The Irish Government bond market is based on a Primary Dealer system.

The Primary Dealers recognised by the NTMA, make continuous two-way prices in designated bonds in minimum specified amounts and within maximum specified spreads.

Primary Dealers are members of the Irish Stock Exchange, and Government bonds are listed on the Exchange.

The Primary Dealers are obliged to make two way prices in our benchmark bonds between 8:00 a.m. and 4:00 p.m on every day on which the Irish Stock Exchange is open.
